1er Workshop en Robótica Móvil Autónoma

Miércoles 26 de Noviembre
10:00-13:30 Hs.
Auditorio Feick (B-221)
Casa Central, Valparaíso
Departamento de Electrónica
Universidad Técnica Federico Santa María

Exponen:

- **Dr. Tomás Arredondo, UTFSM, "Metalearning in a cognitive memory based robotic architecture"**
- **Dr. Fernando Auat Cheein, UTFSM, "Flexible Automation: Robotics in Agriculture"**
- **Dr. Miguel Torres-Torriti, PUC, "General Dynamic Model for Industrial Skid-Steer Mobile Manipulators with Wheel-Ground Interactions"**
- **Dr. Seth Hutchinson, University of Illinois at Urbana Champaign, "Managing Uncertainty in Robotics: From Control to Planning"**

Auspician:

UNIVERSIDAD TECNICA FEDERICO SANTA MARIA
